**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a customer of Sonic for both broadband and telephone service. I use these both as a consumer and a small business owner. I have switched to Sonic for these services from AT&T because AT&T's prices were higher and the service was worse.

If USTelecom's petition to dismantle key components of the 1996 Telecommunications Act is granted, the competition would be greatly reduced leading to higher prices for internet and telephone services and worse service.
